

Membership Agreement

I understand that I am in full control of my payment, and if at any time I decide to make any changes or discontinue the EFT service or other payment method, I will write the Sisters Athletic Club. Change of payment method will not affect other provisions and terms of my membership.

This is an “open ended” agreement; meaning that I am not locked into a “term” contract. I am agreeing to continue my membership until I write a termination letter 30 days prior of my final day of membership. If I choose to freeze my membership I am obligated to paying \$25/month to keep my membership from being terminated. Freezing a membership is only allowed for leaving the area or medical conditions.

I understand that the membership agreement is an at-will agreement meaning either party (Sisters Athletic Club or the Member) can terminate the membership with or without cause at any time.

I understand that monthly dues may increase at any time and I am not “locked into” the current dues pricing.

I understand that my membership balance must be paid up with a zero balance before any changes (i.e. cancellation) can occur.
