Membership Agreement

I understand that I am in full control of my payment and if at any time I decide to make changes to or discontinue the EFT service and/or other payment method, I will contact Sisters Athletic Club in writing. Change of payment method will not affect other provisions and terms of my membership.

This is an “open-ended” agreement wherein I am not locked into a “term” contract. I agree to continue my membership until I write a termination letter 30 days prior to my final day of membership. If I choose to freeze my membership, I am obligated to a $25/month payment to prevent my membership from terminating. Freezing membership is allowed only in the instance I leave the area or have a medical condition.

I understand that the membership agreement is an at-will agreement, wherein either party (Sisters Athletic Club or the Member) can terminate the membership with or without cause at any time.

I understand that monthly dues may increase at any time, and I not ‘locked into” current dues pricing.

I understand that my membership balance must be paid up with a zero balance before any changes (i.e. cancellation) can occur.
